### MailTuff™ Durable Mailing Envelopes - MTB ▼

An all purpose and durable lightweight mailing envelope ideal for despatch of non-fragile items. Tough and tamper evident, MailTuff™ offers a versatile, easy to use and cost effective mailing solution where security, protection and presentation are important.

- Manufactured from co-extruded polythene film and highly resistant to tearing and puncturing.
- Plastic construction ensures contents are protected from water.
- Stronger than paper, card or single layer film envelopes.
- Self adhesive closure makes sealing quick clean and simple. The perforated zipper strip enables quick and easy opening.
